

# Post 11-11 Newsletter

## November, 2008

### *Commander's Corner*

**As we move into the holiday season time seems to start moving faster. The Post has a lot of activities coming up in the next couple of months. Make sure to check the calendar in this newsletter for all the scheduled events.**

**The Black Hawk Chow Down is coming up on the 15<sup>th</sup>. Make sure you plan to attend this worthwhile function to honor those currently on active duty. All Post members are invited to attend.**

**Our next Post meeting is going to be held on November 11<sup>th</sup> at 7 p.m. The last few months member's attendance has been terrible. When we have not had enough members to have a quorum, some important Post business cannot be accomplished. There are some items that have been continuously postponed, but there are provisions in the constitution and by-laws that allow the decisions to be made by the executive committee without a quorum of members. We would rather have participation at the meetings instead of discussions at the bar.**

**We are beginning to start to recruit for next year's Post Officers. Almost all from this team are not returning. If you are interested in an Officer or committee position, please let any Post Officer know. It would be nice to have some members' willing to step up and take the challenge of filling one of the many positions to keep this Post functioning.**

**As always, continue to have our brave men and women in harms way in your thoughts and prayers.**

Michael J. Carriveau  
Commander

*Auxiliary*

**First of all, a HUGE congratulations to our awesome Post for participation in the "Race for the Cure." The Auxiliary was well represented at the Race, and the men put on a fabulous buffet breakfast at the Post. With registration fees for the Race, other donations, and proceeds from the breakfast, Post 11-11 contributed close to \$2,000 to this very worthy cause. Thanks to all who participated. You should all feel proud.**

**Don't forget to bring in your non-perishable food items for the Thanksgiving Baskets. The box is near the sign-in book by the front door. Baskets will be assembled and delivered, Saturday, November 22. If you would like to nominate a family to receive a**

**basket, please leave their name, address and telephone number with an auxiliary member.**

**Our Holiday Merchandise Pickle will be held Friday, December 5 at 6:00 PM. Donations of new gift items, gift cards, checks or cash are now being accepted. Please either leave your items in the office at the Post or give them to an Auxiliary member. And Thank You in advance for your generosity.**

**The Auxiliary will once again participate in the Angel Tree Project, providing gifts to children of prison inmates. We have agreed to sponsor 20 Angels. Watch for the tree and further details at the Post.**

**Do you have an old cell phone or used ink-jet cartridges you don't know what to do with? The Mary Kay Ash Charitable Foundation can benefit from your donation of these items. Access Computer Products will safely dispose of and/or recycle cell phones and cartridges, and for every cell phone or cartridge they receive, they will donate \$2 to the Mary Kay Ash Charitable Foundation. All you have to do is drop the cell phone or ink-jet cartridges in the box, on the counter, to the left of the front door in the Post. The Auxiliary will place the items in a specially provided "Pink" pre-paid mailing envelope, and will send them off to Access. Or, if you wish, you may pick up an envelope and mail the items yourself. They do prefer two items per envelope.**

**That's all for this time.**

**Pray for our troops and their families. And if you encounter an active service member, remember to thank them for their service.**

President

### *Business Committee News*

**The Post's inventory is continuously getting closer to being 100% computerized. This includes vital information and records previously located all over the Post. Cindy, the Bar Manager, has been working hard to get the costs under control to make sure we know what our actual cost per product is, which will insure the best value for the Post members.**

**Don't forget that we have a hall available for all occasions with special rates for members.**

**Watch the calendar and pay attention to posted flyers in the Post Lounge for Entertainment and food and drink specials that do not make it into the calendar.**
